

# November/December

Burrrr - It's Getting Cold Out There!

Book Jacket

Due: Tuesday, December 17, 2012

Dear Parents and Students,

As a reminder, for your November/December book report, you are creating a Book Jacket. An example is attached. Be sure to use your creativity to complete this and make sure to include the following:

- **Title and author of the book**
- **Your opinion of the book**
  - **Did you enjoy this book and would you recommend it to others? Explain why.**
  - **Did you dislike this book and would NOT recommend it to others? Why?**
- **Give a summary of the book**
  - **Include the beginning, middle, and end of the story**
  - **This may be handwritten OR typed and then glued onto the provided paper.**
- **Describe the author/illustrator by writing two or more sentences.**
- **Include pictures throughout your book jacket.**

**\*\*\* For the Back Cover** you will have the opportunity to have other students who have read the book you chose make a comment.

**We will have a day in class for this activity! You will need to bring your book to school December 3<sup>rd</sup>.** Seeing your book will help others recall if they have read it or not!

(Students will write their comments on a loose leaf piece of paper which you will then transfer to your book jacket, ensuring that it is done neatly) ☺

Happy Reading!
